

# Resume

Gina Carrion

## Education

**Bachelor of Science, Cell and Molecular Biology** Expected May 2020 *University of Texas at Austin*

- GPA: 3.58

**Business Minor** Summer 2017

*McCombs School of Business, University of Texas at Austin*

- 18 Hours of Business Courses, McCombs Summer Institute

## Experience

**Undergraduate Research Assistant** Fall 2019 - current

*Havird Lab, University of Texas at Austin*

- Researched the coevolution of mitochondrial genomes and nuclear genomes in different species of the plant genus, *Silene*
- Isolated mitochondria and analyzed the respiration rates of species within the genus, *Silene*

**Undergraduate Research Assistant** Fall 2018 – Summer 2019

*Ryan Lab, University of Texas at Austin*

- Researched the communication behaviors and hormonal state displayed by *Túngara* frogs when exposed to multimodal stimulation
- Compiled data using coding software to analyze and score the behaviors of frogs
- Performed extraction and elution of hormones from *Túngara* frogs

## Relevant skills

- MS Word, Excel
- RStudio

## Awards and Honors

- College of Natural Sciences University Honors Fall 2018, Spring 2019
